

Section 9: Right of Access

- 1.0 Utility's identified employees or subcontractors shall have access to Customer's premises at all reasonable times for the purpose of reading meters, testing, repairing, removing, or exchanging any or all equipment belonging to Utility.
- 2.0 During emergencies, Utility personnel may be required to access property behind locked gates or other obstructions. A reasonable effort will be made to contact the property owner prior to removing or cutting any chains or locks.
