Questions and Answers about the Customer Portal and Mobile App

Q. Why should I use the Customer Portal or Mobile App to pay my bill?

A. We have set up these new payment methods for you because they are easy to use, secure and convenient. Our new Customer Portal and Mobile App provide services that customers find helpful including Autopay enrollment and notifications. You do not need to leave your home to manage your utility account, check your balance or due date, or pay your bill.

Q. How do I find the Customer Portal?

A. It's easy to get to the Customer Portal. You can:

1. Go to <https://rockwoodelectric.utilitynexus.com> on your computer, laptop or smart device.
2. Scan the Customer Portal QR code below using your smart device. The portal home page will load for you. Select "Sign Up" to enroll.
3. Scan the Mobile App QR code below. When the app comes up on your screen, click "Install" (Google Play) or "Get" (App Store.)

Q. What is the Mobile App?

A. Rockwood Electric's Mobile App enables you to manage your account right from your smart device, anywhere, anytime. The app is secure, easy to get and simple to use. All you need to do is scan the Mobile App QR code below and your device will install the app that was developed for your operating system.

Once the app is downloaded and installed on your device, you will see a welcome screen that allows you to log in or sign up for the Customer Portal. You will need to sign up the first time you use the portal and create your login credentials for the next time you want to use the portal. *(Please note that the Customer Portal does not support Internet Explorer.)*

Q. What do I need to sign up for the Customer Portal?

A. You will need your 12-digit account number to register in the new Customer Portal. This 12-digit number is found on the top of your electric bill. Enter the number and click "Continue."

Next you will see a screen to set up your account. Once you have completed and submitted this form, you will receive an email indicating that your account has been activated. You are now ready to check your bill, review your statements, monitor your utility usage and make payments.

Q. Are there other ways I can pay my Rockwood Electric bill online?

A. No, the Rockwood Electric Customer Portal and Mobile App are the only official ways to pay your utility bill online. If you pay through a third party, the funds do not come directly to Rockwood Electric and can result in a late payment or shut off.
