

The areas in and around the City of Kingston shown on this map be out of power from 10:00 pm on May 3rd until approximately 1:00 am on May 4th for TVA to take a section of line out of service for maintenance and repair of equipment.

Areas include, but are not limited to:

1. “Downtown” Kingston which includes all residential and commercial customers.
2. Spring Street and adjacent areas around Roane County High School
3. Highway 58 South (Brentwood and adjacent areas)
4. Ridge Trail Road and adjacent areas which includes Center Farms and James Ferry Road
5. All areas between Paint Rock Ferry Road and the Tennessee River
6. Old Johnson Valley/Saw Mill Road

Note: Ladd Landing, including the City of Kingston Municipal Building, are not expected to be out of power during this outage. REU will be doing some switching to keep as many customers as possible on.
